About the MPOA

The MPOA was formed to maintain and improve the quality of life and environment of the Mazinaw Lake community.

The mandate of the MPOA is to unite property owners for the purpose of working with members, governments, organizations and agencies relating to the quality of life and environment of the community.

The volunteer MPOA board strives to keep members informed of current issues that impact Mazinaw Lake and to represent our shared interests in dealings with other organizations. Some of the issues that have occupied our time in recent years include regulation of water levels, septic monitoring and improvement, rising power rates and taxes, short term rentals, logging around Mazinaw Lake in the 10 year Mazinaw-Lanark forestry plan, the Algonquin land claim, lakeside squatters, improved internet access, emergency medical access points, boat launch access (Tapping's Landing), relationships with Bon Echo Park and channel marking, shoreline enhancement, fish habitat restoration, water quality testing, and invasive species monitoring.

Membership

Mazinaw Lake property owners and their families are all welcome to join the MPOA.

Membership Benefits

The quality of our lake and our experiences on the lake are paramount to what we do. We represent all cottagers by being a "collective voice" to ensure the right things happen. The following lists some of the benefits of MPOA membership:

- **Email communications.** Covers time sensitive events such as Township updates, environmental concerns, fire bans, water levels, etc.
- **Lake Directory.** What you are reading right now!
- **Website.** Our website: www.lakemazinaw.ca, is packed with valuable information about our lake and community.
- **Facebook Group.** The Facebook group extends to our broader community and is a forum for members and the board of directors to share information.
- **Spring and Fall Newsletters.** A roundup of happenings on the lake.
- **Annual General Meeting (AGM).** Held in the spring either in-person or virtually (Zoom). This is where you meet your board, learn about what is being doing on your behalf, and have your say.

Membership Fees

Membership fees are used to cover expenses such as our website, contributions to lake projects (e.g. Tapping's dock extension), and enrolment in fellow organizations (e.g. Federation of Ontario Cottagers' Associations). It should be noted that all board members are volunteers. Also that the cost of the lake directory is partially covered by advertisers.

Membership fees are due July 1st of each year. The most efficient, and preferred, payment method is **e-transfer**. Send your e-transfer to **treasurer@lakemazinaw.ca**. Be sure to include the 911 number of your property and your first and last name in the notes section. This will ensure that the fee is applied to your property.

If e-transfer is not an option for you, there are two alternatives:

- **Cheque.** Mail to MPOA, P.O. Box 251, Cloyne Ontario K0H 1K0. The payee is "MPOA". Please write the 911 number of your property and your email address on the cheque.
- **Marinas.** Both Smart's Marina and Brown's Tent & Trailer Park accept payments.

MPOA Volunteer Board Members

Your volunteer board members are elected for three year terms. New board members are always welcome!

The current slate of directors can be found on our website: **www.lakemazinaw.ca**.

Look under the "HOME" label, and go down to the "MPOA BOARD OF DIRECTORS" choice.

MPOA Lake Directory

The first lake directory was created in 2007, with updated editions in 2014, 2018 and now in 2022.

Distribution is limited to MPOA members and the Emergency Services in our two townships. The directory is not to be used for commercial purposes.

The MPOA does not guarantee the accuracy of scale, location, names or numbers. The directory has been produced based on input from MPOA members, and the North Frontenac and Addington Highlands Townships.

Lake Directory Production

The 2022 lake directory production was led by Ian Philips. He created new maps and modernized the listings. Ian was assisted by Suzanne Sills and Bob Reid. The directory benefited greatly from the efforts of volunteers who took time to solicit around the lake. They are Bob Reid, Suzanne Sills, Rose Prevoe, Gillian Van Kempen, Jamie Fraser, Amy Fraser, John Campbell, Janet Brookes, and Fran Bates. An enormous effort was made by Ian to ensure that this directory was as accurate as possible through extensive personalized email communications to all members.
